

# The Parents' Guide to Google Classroom

# What is Google Classroom?

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use GC to share assignments, homework, newsletters, and much more with students AND parents!

The screenshot shows a web browser window displaying the NSW Department of Education Student Portal. The page has a blue header with the text 'NSW Department of Education' and 'Student Portal'. On the left, there is a navigation menu with items like Home, Email, Oliver Library, Help, Notifications, Change password, Secret Questions, Change Colours, and Sign Out. The main content area is divided into several sections: a search bar with the Google logo, a calendar section with a verification message and an 'Authorise' button, a 'My bookmarks' section with a 'Create new list' button, a 'Learning' section with items like 'Premier's Reading Challenge', 'eSafety Kids', and 'G Suite (Google Apps for Education)' (which is circled in red), and a 'Games' section.

4.

Select **G-Suite** at the bottom right corner of the browser.
